FROM THE DIRECTORS

We are excited to be attending the Minnesota Association of Community Theatres (MACT) one act play festival to be held in Glenwood, MN on March 25th. We always love the opportunity to present our work and learn and be inspired by neighboring community theaters. This show really highlights the talent of our local actors. The roles are really meaty and complex and give each actor a lot to work with individually as well as cooperatively. This show is the true meaning of the word ensemble. The themes within will have you pondering deeper meanings throughout. Thank you to this amazing cast and crew for sharing their gifts. Enjoy the show!

Artist statement:

I am a painter and muralist fascinated by the way science fiction suggests a future for humanity transformed by major environmental changes and technological innovations. My invented landscapes ask viewers to consider unfamiliar places, such as the lines between true, false, fiction and documentation, natural growth and urban development.

I've always had a strong interest in photography and film so the compositions of my paintings are based on photographs and experience. I live and work here in Cloquet and love painting about the animals and ideas of our region. My studio is filled with my snapshots of landscapes, machinery, and animals. I select, recompose, and paint the most interesting details so that my paintings may be comprised of more than a dozen study images.

County Seat Theater Land Acknowledgment

County Seat Theater would like to acknowledge that together in this space and on this land, we have gathered on traditional, ancestral, and contemporary lands of indigenous people. Ceded by the Ojibwe in an 1854 treaty, this land holds great historical, spiritual, and personal significance for its original stewards, the Native nations and peoples of this region. We recognize and respect the Fond du Lac Band of Lake Superior Chippewa as they identify themselves through tribal sovereignty, treaty rights, cultural resilience and relationships. We offer our gratitude to all the elders of the past, to those with us today and to those to come in the future, for their stewardship of this land and for their rich cultural legacy.
