Scene 2

Some weeks laker. Can all the soap in the world cleanse this laundry of dirty deeds? (The villain sees double, and our pleasure is tripled!)

There will be no intermission during this performance.

I may have been typecast this time around. Washtub Sally spends a lot of time wandering around, not knowing where she is going, not knowing where she is coming from or what she is doing there! My special thanks go to our patrons and sponsors, without whom this expression of local art would not exist. Hope you enjoy the show!"

It really is what community theater is all about. This cast has been so enjoyable and easy to work with and we laugh at every rehearsal. Thank you to each and everyone of them for their dedication to the show and each other. I can't think of a better group of people to start off a new year of exciting theater here at the County Seat Theater! Enjoy the show!!
