My deer hunting experience amounts to shooting the deer that feast on my garden, from inside the home I share with my husband.

I have enjoyed painting watercolor for over 30 years. I am grateful for the opportunities to study under local and nationally known instructors. Occasionally I have taught classes, most recently with friends in my mom's memory care home. I seek to capture and express the beauty of the North Shore landscape, often focusing on light and reflections. The dear and interesting friends I meet along the way are the best thing about my art experience.

County Seat Theater Land Acknowledgment

County Seat Theater would like to acknowledge that together in this space and on this land, we have gathered on traditional, ancestral, and contemporary lands of indigenous people. Ceded by the Ojibwe in an 1854 treaty, this land holds great historical, spiritual, and personal significance for its original stewards, the Native nations and peoples of this region. We recognize and respect the Fond du Lac Band of Lake Superior Chippewa as they identify themselves through tribal sovereignty, treaty rights, cultural resilience and relationships. We offer our gratitude to all the elders of the past, to those with us today and to those to come in the future, for their stewardship of this land and for their rich cultural legacy.
